<i>So we are all going to be doing some exploring today to look for some old treasures in the middle of the desert so hope you are dressed for the occasion – Cubs to come dressed up as explorers, etc.</i>				
	05	Register, parade	Register/music	
<i>Welcome to the Cubpedition - we have an important mission to complete today so we need to find our instructions - unfortunately they have been carried off by the desert wind ...</i>				
	10	WIDE GAME: What is our Mission? Cubs need to go and find all the clues - working in teams of no more than four Cubs. When they find the envelope for their team, they must come back to the hall, put the puzzle together and read their mission: The mission will be to get certain items from around the hall and go and make a shelter (see attachment)	Envelope containing puzzle pieces per Six	
<i>Now we know what the mission is, let us complete it as soon as possible so that we have shelter from the harsh desert</i>				
	55	TEAM GAME: Shelter Building In their teams of four, Cubs to build and decorate a shelter using the materials supplied. At the end of the mission, have fans available if possible to blow onto the shelter to ensure that it can withstand the harsh desert conditions! See if the shelter still stands Have a couple of breaks during the building of the shelter: Break 1: Exploring is hard work and we need to keep our stamina up! Snacks of popcorn and juice (10 minutes). Break 2: Oh no here come some robbers also after the treasures – we need to run as fast as we can to get away from them before they see us! Get the Cubs to run to a designated spot and back again to carry on with their work (5 minutes).	As per available materials
